THE INSTITUTE

SRM Institute of Science and Technology (SRMIST) is one of the top ranked universities in India with over 50,000 students and 3,000 plus faculty members, offering a wide range of Undergraduate, Postgraduate and Doctoral Programs in Engineering, Medicine & Health Sciences, Management, Science & Humanities, Law, and Agricultural Sciences. Over the last three decades, it has set standards in experiential learning and knowledge creation across various fields. It has reached beyond borders to Universities and corporates across India and around the World. There are four sprawling campuses three in and around Chennai, and one near New Delhi spread across 250 acres with all facilities. It had conducted 98 Indian Science Congress in January, 2011 which was attended by 7,000 delegates from India and abroad, including six Nobel Laureates and several eminent scientists. SRM IST is the first private University in India to launch a nano-satellite, named SRMSAT, into space, on board the PSLV-C18 from Sriharikota on October 12, 2011. The institution has grown up through international alliances and collaborative initiatives to achieve global excellence. Over 200 students are sponsored for 35-foreign Universities like MIT, Carnegie Mellon, UC Davis, Warwick and Western Australia annually. SRM IST is accredited by NAAC with the highest Grade of 'A++'. QS, the world renowned international ranking agency, has rated SRMIST as 'Four Star, Institute and QS-IGAUGE has awarded Diamond Rating to SRMIST. SRMIST is classified as Category I University by UGC/MHRD and enjoys 12B status too under UGC Act.

DEPARTMENT OF AEROSPACE ENGINEERING

The Department of Aerospace Engineering was established in 2007. It offers four years degree B.Tech Program. It has well equipped laboratories. Our Aerospace hangar houses Cessna, Eurocopter, Kiran aircraft, Airbus A300 simulator, different types of engines and landing gear components. Aerodynamics lab comprises of subsonic & supersonic wind-tunnel, sophisticated high-speed jet facility, smoke tunnel, boundary layer tunnel, etc; Aircraft Structures lab; Aero fluid mechanics lab; CFD lab & Advanced computation lab; Material Testing lab; Avionics lab and Dr. APJ Abdul Kalam Memorial Propulsion Laboratory, exclusively for solid propellant making and firing to determine thrust, burn rate and to study combustion characteristics with high speed camera. The department had received AR&DB grant funded project and few consultancy projects too.

DEPARTMENT OF PSYCHIATRY

The Department of Psychiatry at SRM was started in the year 2005. The department is headed by Prof. Dr. R. Arul Saravanan MD, DPM, and comprises of Consultant Psychiatrists, Psychologists, Psychiatric Nurses and Social Workers along with other staff members. All the modern psychological techniques that are being used are available in our department. Rigorous teaching and training programs that balance theory and clinical demonstration, using both direct, on-line and hybrid modes is our hallmark. The outpatient department receives patients from all walks of life, with problems that range from minor mental disturbances to major disorders. Our Faculty members actively provide services for these, including child guidance as well as suicide prevention services and consultation. They also conduct lectures on stress management for the students, faculty and the industrial population. The department has very good in-patient facilities. Special care is taken for addiction cases and motivational interviewing. Our Special clinics include Neuropsychiatric, Geriatric & Memory Clinic, Psychosomatic & Chronic Pain clinic, Suicide Prevention Clinic, OCD Clinic, Sex & Marital Clinic, De-addiction Clinic, Children and Adolescent Clinic.
